# 40th Annual Las Vegas Seminars

## PEDIATRIC UPDATE

NOVEMBER 15-18, 2018 Caesars Palace | Las Vegas | Nevada

### Welcome

This year, the Annual Las Vegas Seminars will be held at the exciting Caesars Palace in Las Vegas. The usual attendance at our conference, now in its 40th year, exceeds 600 practitioners representing pediatricians and allied health professionals from all parts of the United States and from many foreign countries.

We thank our many excellent speakers - a true all-star cast of the most knowledgeable educators in pediatrics and pediatric subspecialties. Most of all, we are grateful to our meeting registrants for their continuing interest and enthusiasm.

### General Information

The overall learning need identified by our physicians' education committee was for practical, evidence-based medicine that can be applied in the clinical setting. Needs in a wide variety of subject areas were identified. This program will address the areas of: **Dermatology, Infectious Diseases, Nephrology, Orthopedics, Otolaryngology, Pharmacology and Toxicology.** This is an opportunity to escape the frantic pace of wintertime pediatrics, visit with old friends, make new friends, and return home refreshed with new knowledge and relaxed from three to four beautiful days in exciting Las Vegas.

### Program Objectives

At the conclusion of this activity participants should be able to:

- Cite the major guideline changes for vaccines in 2018
- Describe five pediatric orthopedic conditions whose management should be questioned
- Identify new illicit drugs that are being abused
- Identify and manage causes of OSA other than large tonsils and adenoids
- Recognize dermatologic emergencies
- Take appropriate first steps with an abnormal urinalysis
- Recognize recent trends in novel nicotine delivery systems
- Name risk factors for early childhood onset hearing loss
- Implement into practice the updated guidelines for childhood hypertension

- Differentiate infectious from non-infectious cutaneous eruptions in newborns
- Recognize new and emerging patterns of mosquito-borne diseases in the USA
- Identify which children with back pain need lab work
- Distinguish the common causes of glomerulonephritis
- Name advanced therapies for atopic dermatitis
- Explain the Salter Harris growth plate fracture classification system
- Implement pre-travel prevention and post-travel management of ID diseases
- Recognize the current and future role for eustachian tube balloon dilation
- Counsel on the risks of anti-inflammatory drug toxicities and their management
- Formulate the right questions to ask to identify what kind of animal/insect caused a bite/sting
- Identify and manage common and uncommon ENT disorders
- Diagnose and manage common sports injuries in children and adolescents
- Develop useful differential diagnoses for foodborne illnesses
- Rapidly identify common and important dermatologic conditions
- Create practical approaches to common kidney and urinary conditions

### Target Audience

This seminar is directed toward urban and rural, general and sub-specialty pediatricians, as well as non-pediatric physicians, nurses, nurse practitioners and other allied health professionals.

### Register Online at www.AAP-CA.org Registration and Message Center

The AAP-CA on-site registration desk will be open on Thursday evening from 5:00 to 8:00 pm and during the meeting from 7:00 am to 1:00 pm. Upon registration you will receive an electronic flash drive syllabus and folder with meeting information. A message center and information desk will be maintained during the meeting in the registration area. Full paper syllabus is also available for an additional charge of \$35. For information prior to the meeting call (626) 796-1632, or e-mail [meetings@aap-ca.org](mailto:meetings@aap-ca.org). During the meeting, please call the hotel at (702) 731-7110 and ask for the Pediatric Meeting in the Palace Tower Conference rooms.

### Cancellation and Refund Policy

Program registration cancellations by October

26, 2018 will be subject to an administrative charge of \$50. There will be no refunds for cancellations after October 26, 2018. All cancellations must be in writing.

### Disclosure Of Financial Relationships And Resolution Of Conflicts Of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of these CME activities does not necessarily reflect the views or policies of the AAP.

### Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the California Chapter District IX of the American Academy of Pediatrics.
